North Hamilton Community Health Centre offers primary care health services and health promotion programs to diverse communities and individuals.

The North Hamilton Community Health Centre Diabetes Program provides diabetes education, disease management and outreach services to people living with diabetes in Hamilton, in keeping with practice guidelines with a special focus on people facing obstacles to health.

We are currently seeking a:

**Registered Nurse or Registered Dietitian**

Contract (6 months) – Full Time Hours (37.5 hrs)

- Does the opportunity to work as part of a dynamic interdisciplinary team and provide care in innovative ways excite you?
- Are you registered with the College of Nurses of Ontario as an RN or the College of Dietitians of Ontario and do you have one to two years clinical experience in a client-centered environment?
- Do you possess or are you working towards Certified Diabetes Educator Certification.
- Do you have an interest in working with at-risk populations and persons with barriers to accessing the health care system?
- Do you enjoy facilitating diabetes education and disease management with groups?
- Are you interested in quality improvement approaches and evidenced based care?
- Do you value job flexibility along with a competitive salary?

Then this position is for you!

Please review the Diabetes Dietitian or Diabetes Nurse Job descriptions on our website under Careers at [www.nhchc.ca](http://www.nhchc.ca).
